Membership Growth Targets

\*Projected with an Annual Average Growth Rate of 25%

# Action Plans – Enhancement of Competitive Strength

Continuously produce globally active players and creating an environment where beginners can learn in a systematic way.

GM/IM production

- Holding norm tournaments in Japan
- Providing support program for talented players

Youth development

- Providing opportunities for interaction and competition (e.g., youth-only tournament/camp)
- Inviting professional coaches from overseas

Development of learning environment

- Creating teaching materials in Japanese
- Training certified instructors
- Subdivision and diversification of achievements
