**Chief Arbiter:** Nakamura Mitsuru (Shin Sapporo Chess Club)

**Tournament Director:** Dryglas Maciej (Shin Sapporo Chess Club)

**Remarks:**

These are FIDE-rated standard tournaments.

Recording of moves is mandatory (scoresheets must be completed until the end of the game).

Tie-breaks (in order):

1. Buchholz
2. Sonneborn-Berger
3. Performance rating

A forced pairing bye counts as a win (1 point).

Except for the final day, a requested bye (declared before the pairing of the previous round) will be scored as a draw (½ point).

A player absent at the start of Round 1 may be assigned a half-point bye at the organizer's discretion.

Mobile phones and electronic devices must be switched off. If a device makes a sound, is used, or is handled during the game, the player shall lose the game. Use of electronic devices inside the playing venue is prohibited even outside of game time.

The schedule may be adjusted depending on tournament progress.

**Eligibility:** Open to JCF members and players holding a valid FIDE ID.

Due to the time control of 60 minutes + 30 seconds increment, participation is restricted to players rated below 2400 (FIDE standard rating).

Non-JCF members may participate, provided they register in advance.

**Federation Fee for Non-Members:**

In accordance with JCF regulations, non-members must pay an additional JPY 3,000 federation participation fee. This fee will be collected by the organizer and remitted to the Japan Chess Federation after the event.

**Note on JCF Membership:**

Since this is a series of monthly FIDE-rated tournaments, players who plan to participate regularly may find it more economical to obtain annual membership with the Japan Chess Federation (JCF), which currently costs JPY 5,000 per year, instead of paying the JPY 3,000 non-member federation fee for each event.

**Entry fee:** 10,000 JPY (payment on site)

**Registration Deadline:** Thursday before the event, 23:59. Capacity: 40 players
